Location

Superbly positioned in the heart of Mt Wellington, 54 Barrack Road is a boutique project of 9 homes offering an enviable combination of accessibility and convenience.

Situated at the northern end of Mt Wellington, the Lunn Ave shopping precinct is a stone's throw away providing a wide range of premium grocery, hardware and homeware stores, as well as a number of dining options. The world-class shopping destination of Sylvia Park is a few minutes drive in the other direction, offering an extensive array of retail stores, eateries and family entertainment. Plenty of additional amenity is nearby scattered along the Mt Wellington and Ellerslie-Panmure Highways.

54 Barrack provides a number of transport options, including multiple bus-stops within walking distance and the Ellerslie and Sylvia Park train stations are both just 5 minutes away in either direction. Easy access to the Ellerslie-Panmure and the Mt Wellington Highways, as well as SH1 is on offer. The CBD is easily accessible in approximately 20 minutes, as is East Tamaki.

Plenty of recreation is on offer with the Panmure Basin and its picturesque walking track and the Mt Wellington park both in close proximity. A number

of smaller local parks are also nearby, including Sir Woolf Fisher Park only couple of doors away. The Y Lagoon Pool and Leisure Centre is a great local facility for the whole family to enjoy and is easily accessible.

For the perfect combination of local amenity, accessibility and leisure – 54 Barrack provides an enviable lifestyle to enjoy.

Feel free to request **Titus Group's Buyers Guide** to assist you further during your buying process.

Frequently Asked Questions

What is the payment process when purchasing my townhouse?

We require a 10% deposit upon confirmation of the sale and purchase agreement, with the remainder to be paid upon completion of the townhouse. No progress payments are required.

What warranties do I get when purchasing my townhouse?

Every townhouse comes with a 12-month minor defects period which applies to non-structural elements of the home and a 10 year structural warranty period in accordance with the Building Act.

How do I stay updated on the construction of my townhouse?

We post regular updates of all our projects on our Instagram page (@titusgroupnz), this way purchasers can receive photo and video updates as well. Alternatively, you are welcome to contact one of our team members directly.

How Buying From Us Works

Connect

Identify which townhouse you would like to purchase and connect with one of our team members.

Sign

Simply sign our conditional Sale & Purchase Agreement and pass it onto your solicitor.

Review

Our standard Sale & Purchase Agreement gives you 5 working days to conduct your due diligence & 10 working days to finalise your finance. This period allows ample time for your solicitor to review the agreement.

Confirm

Once you are happy to purchase the townhouse, simply confirm the agreement unconditional and pay your deposit. From here, no further action is required until settlement, which is upon completion of the townhouse.
